

ML-111U

Single-thread, Chainstitch Basting Machine

Basting machine realizes high quality

- High efficient basting works at a sewing speed of 1,800sti/min.
- Chainstitch is continuously formed with a single thread and by a blind looper which eliminates the need for a bobbin thread refilling. In addition, the basted seam can be easily undone.
- Basting works are efficiently done with a maximum stitch length of 10mm which is easily set up by a control dial.

APPLICATIONS

- The basting of the front edges, edge and stand of collars, flaps of men's and ladies' suits and coats.
- The basting of the waist bands, the flies of trousers slacks, etc.
